HSE Approved First Aid At Work Courses

First Aid at Work HSE Accredited 4 Day Course

Available to all who require or would like to gain full HSE accreditation as a first aider in the workplace. The aim of the course is to equip the candidate with the skills, knowledge and attitude to manage an emergency situation. Each candidate attending the four-day course will receive a first-aid manual presented in an easy-to-understand style.

On successful completion, the candidate will receive a certificate of competence, which is valid for three years. Each person who qualifies will be notified three months prior to the expiry date of their certificate of their need to take the two day re-qualification course.

Price: £175/person + VAT

First Aid Re-qualification 2 Day Course

This course is open to first aiders who qualified not more than three years ago. Delegates who need to re-qualify may take their course three months before the expiry date. This will qualify them for a further three years.

Price: £105/person + VAT

First Aid Appointed Person 1 Day Course

This short but intensive course trains delegates to administer emergency life-saving techniques, look after first aid arrangements and take charge in emergencies. On completion a certificate will be issued.

Price: £55/person + VAT

Prices Includes: Registration, Assessment, Certificate, First Aid Manual, Lunch and Refreshments each day.

A 5% price concession is available for block bookings of 12 persons on the same course.

First Aid For Schools

KITS offers a range of courses that helps children manage and deal with situations and accidents that happen in life to both themselves and adults.

Professional, friendly and experienced instructors make First Aid courses interesting and fun whilst also promoting the serious and responsible side of potentially saving somebody's life.

The following skills save lives and children of all ages can do it:

- > CPR
- > Control of Bleeding
- > Recovery Position

Why not show them what to do in an emergency, the things to avoid and give them a skill and a certificate of attendance. Young People/Older Children are able to gain a certified registered First Aid qualification.

Flexible Courses

KITS can work within specified times if required to teach and deliver First Aid courses to Children and or Adults in any school / college or groups. Specific and tailored courses can be arranged around children's ages, needs and requirements on request.

For more details on KITS First Aid courses please telephone KITS on 01484 711462
