Geared up for a career in the Motor Vehicle Industry?

Make KITS your first choice

KITS
ENGINEERING TRAINING EXCELLENCE

Earn-While-You-Learn with a KITS Motor Vehicle Apprenticeship:

Light Vehicle Technician

This area covers the repair and servicing of cars and light vans.

Skills you will learn include:

- > Light Vehicle Servicing
- > Battery, Charging & Starter Systems
- > Electrical/Electronic Systems
- > Air Supply & Exhaust Systems
- > Engine Management Systems
- > Engine Lubrication
- > Ignition Systems
- > Engine Testing
- > Fuel Systems
- > Parts & Procedures.

Heavy Vehicle Technician

This area covers the repair and servicing of heavy vehicles such trucks and lorries. Skills you will learn include:

- > Heavy Vehicle Servicing
- > Battery, Charging & Starter Systems
- > Electrical/Electronic Systems
- > Chassis and Suspension
- > Engine Management Systems
- > Engine Lubrication
- > Engine Testing
- > Fuel Systems

Vehicle Body Repair

The repairing and the replacing of body panels are principle tasks in repairing both cars and trucks alike. Skills you will learn include:

- > Alignment of a Vehicle Chassis following Accidental Damage
- > Welding New Panels to Vehicles, to Conform to the Manufacturers' Specifications

Vehicle Body Re-finishing (Paint)

The application of paint to vehicle surfaces whether a car, light van, truck or motorcycle is a difficult skill requiring high levels of knowledge and ability. Skills you will learn include:

- > Knowledge of Modern Paint Technology
- > Application of Different Paint Finishes

Fast-Fit Technician

Many garages provide customers with a fast fit service. This new and increasing area of the motor industry conducts servicing and the replacement of parts, in some cases while the customer waits. Skills you will learn include:

- > Tyre Inspection & Fitting
- > Exhaust Removal & Fitting
- > Suspension Inspection and Repair
- > Inspection and Removal of Brake Components

Job opportunities exist in a variety of independent garages and main dealerships.

KITS is striving to achieve equality for all

Entry Requirements

- > Aptitude Test
- > Interview
- > School Report
- > Record of Achievement
